

CONFIRMED AND PROBABLE CASES NOTICE

All confirmed and probable positive COVID-19 cases among East Shore Leadership Academy staff and students will be posted here. In accordance with the East Shore Leadership Academy Plan, the following actions will take place for each positive case:

- The individual(s) in question will be quarantined from work/school until released to return by the St Clair County Health Department.
- East Shore Leadership Academy will work closely with the Health Department to conduct contact tracing. Those individuals who are determined to have been in close contact with the COVID-19 positive individual(s) will be personally contacted by someone from the Health Department or the school with additional guidance.
- An informational letter will be sent to all families that may be impacted.
- The East Shore Leadership Academy custodial team will ensure cleaning of the classroom, office, or other space that was occupied by the COVID-19 positive individual(s) is performed in accordance with the United States Centers for Disease Control and Prevention (“CDC”) guidelines and the East Shore Leadership Academy COVID-19 Response Plan.
