## STEVEN COVEY SEVEN HABITS

### **Habit 4 is to Think Win-Win.**

Instead of thinking about YOU and ME, Win-Win thinks about BOTH OF US. Think about a solution that will benefit everyone involved. WIN-WIN isn't about giving up what you want to make someone else happy, it's about making EVERYONE happy. It's different than the word compromise. In a compromise each person gives in a little. WIN-WIN is all about taking two ideas and working together to come up with a THIRD ALTERNATIVE that's better than each idea on its own. To think Win-Win in your life and home try these three things...be co-operative, be considerate and be a good problem solver. This will lead to a balance of courage for getting what you want but also consideration for what others want.
