Tips & Information

Since its inception, Black History Month has expanded beyond its initial acceptance in educational establishments. Carter Woodson's organization, now known as the Association for the Study of African American Life and History (ASALH), designates a theme each year. This year, February will be a celebration of Black History Month with the theme "African Americans and the Arts." The ASALH shares, "African American art is infused with African, Caribbean, and the Black American lived experiences."
